ABOUT THE ASHBURTON JAYCEES

Jaycee was an organisation for men, and in later years women, between the ages of 18 and 40. The Ashburton Jaycee Chapter was formed in 1947 and at its peak had over 120 members. All types of personal skills were developed through membership of the organisation. These involved leadership, chairmanship, speaking, debating, and organising projects to a successful conclusion. From about 1980 the membership gradually declined until in 2008 the remaining members decided to dissolve the Chapter. At this time the decision was made to set up a special fund with Advance Ashburton Community Foundation so the asset could support scholarships for both Personal Development and Industry Trade for the people of the Ashburton District, forever.

ABOUT THE TINWALD CLUB

The Tinwald Club, formed around 1970, has been an important part of the Ashburton District, supporting the sporting and social needs of the Tinwald area. In 2011 the membership had declined to a point that was no longer viable, so the decision was made by the remaining members to dissolve the Club. As always, thinking of their community, the members sought a way in which the residual asset of the Club would continue to support the Tinwald area, the decision was made to set up a special fund with Advance Ashburton. This special fund commenced in 2013 and continues to deliver benefits to the people and organisations in the Tinwald area, and, will continue to do so for many generations to come.

ABOUT THE ASHBURTON PLAINS ROTARY CLUB

The Ashburton Plains Rotary Club is an active group of like-minded people who believe that solving real problems takes real commitment and vision. A major focus for the club is supporting the youth of Ashburton, and in particular, investing in people undertaking apprenticeship programmes in Ashburton. Advance Ashburton is honored to be administering this scholarship on the Clubs behalf
